March 21, 2017

Erie Canal Harbor Development Corporation (ECHDC) joins with others in Buffalo in applauding the passage of the Buffalo Green Code Unified Development Ordinance. Mayor Brown, the Common Council and the many community organizations and citizens involved in this initiative deserve enormous credit for all of the time and effort they committed to making this innovative zoning policy a reality here in the Queen City.

We acknowledge that the Green Code applies to the property ECHDC controls on Buffalo's Outer Harbor and believe that the work we have planned on the Outer Harbor is consistent with the Green Code.

Again, congratulations and thank you for your hard work.

Sincerely,
